As an international student at the University of Vic - Central University of Catalonia (UVIC-UCC) you will be one of many students arriving each year from all over the world.

At UVic-UCC we try to make sure all your needs as a foreign student are satisfied. Support is provided to you by the International Relations Office and by the Internationalisation Units at each of the UVic-UCC faculties.

Our aim is to help you settle in as fast as possible – on and off campus. Information packages are distributed at the start of each new term to help you get acquainted with university services.

We will put you in touch with other exchange and UVic-UCC students, who will be among your first friends in Vic. Before setting out, you will receive an e-mail from your mentor, a UVic-UCC student that will help you in your first steps with us.

Catalan is the main UVic-UCC language of communication and is co-official with Spanish throughout Catalonia, so we strongly recommend that you register for the Catalan and Spanish language courses offered free at the University.

To make your time here more enjoyable, the International Relations Office organises a series of activities throughout the year.

Enjoy your experience abroad!
THE CITY OF VIC
Midway between the mountains of the Pyrenees and the Mediterranean Sea, seventy kilometres north of Barcelona, lies Vic, the main administrative, population and service centre for an area with 150,000 inhabitants.

Its colourful past, still evident in many streets and squares of its historic centre, is complemented by the thriving present-day diversity. Vic is rich in contrasts between tradition and modernity, the heritage of rural life and cutting edge technology, the peace of a small town and the gaiety of local festivals. Its wealth of museums, archives, historic monuments and associations of all kinds bear witness to the city’s civic, cultural and artistic activity. Economically, trade, industry and service sectors are all important.

As a market town, buyers come to Vic from far and wide. The town has a wide range of facilities, and administrative, health, educational and social services. As the main town of the Osona region, Vic is part of a network of administrative centres around Catalonia.

These two documents are a requirement for academic registration at UVic-UCC:
- a copy of the certificate of your own international [Private health insurance](#) (all the students). It should mention the name of the insurance holder, period and place of coverage. Please consult the Health Insurance section in this handbook.
- and a copy of your [European Health Insurance Card-EHIC](#) (European citizens only).

The European Health Insurance Card and your private health insurance policy must cover the whole exchange and study period at UVic-UCC. The copies should be sent to the International Relations Office by e-mail (gina.morcillo@uvic.cat), before your arrival.

Additionally, the students doing a [work placement activity](#) during their stay at UVic-UCC, they will have to purchase an extra insurance policy to cover [civil liability](#) during professional activities. This insurance should be purchased at the time of registration.

- Your Learning Agreement

Academic information will be required by the Internationalisation Unit of the faculty you will be based in at UVic-UCC. Information about registration will be given to students at each centre at different times. For all academic matters (i.e. Learning Agreement, courses, timetable, registration, etc.), please contact your UVic-UCC international academic coordinator (Internationalisation Unit).
No student may register at UVic-UCC without this documentation.

PRIVATE HEALTH INSURANCE

UVic-UCC regulations on health insurance are very strict and apply to all incoming and outgoing exchange students. You only know the real value of insurance when you need it...

Only international exchange students who present a valid private health insurance policy may register for courses at UVic-UCC.

Before coming to UVic, make sure you have purchased an insurance policy with clauses in Spanish, English, French or Catalan. Insurance must cover you for your whole stay at our university and we recommend inclusion of at least the following risks:

• Medical expenses abroad due to illness or accident
• Transport of mortal remains
• Accident insurance
• Civil liability
• Health transferral in case of sickness or injury
• Travel expenses of a relative in case of death of the policy holder
• Return of the policy holder in case of a relative’s death
• Return of the policy holder in case of a relative’s hospitalisation for more than 5 days

Your insurance company will inform you on how to proceed in case of emergency.

EUROPEAN HEALTH INSURANCE CARD (EHIC)

The European Health Insurance Card (EHIC) is a free card that gives you access to medically necessary, state-provided healthcare during a temporary stay in any of the European Economic Area (EEA) countries, including Switzerland.

When you show your EHIC, you will receive treatment under the same conditions as people insured in that country. The EHIC is NOT an alternative to travel insurance.

• http://tinyurl.com/EuropeanHICard

OTHER

• Once in Vic, all students will be asked to sign a declaration of insurance responsibility in order to be considered properly insured.
• Students on a work placement activity during their stay at UVic-UCC will have to purchase an extra insurance policy to cover civil liability during professional activities. This insurance should be purchased at the time of registration.
The Spanish Ministry of Foreign Affairs and Cooperation maintains a web page with guidelines on requirements for entry to Spain, visas and regulations for different nationalities:

Notice that, at UVic-UCC we do not deal with the arrangements of the students' Visa. You should contact the Spanish consulate in your country in order to get information about your Visa.

**Embassies and consulates**: [https://www.embassypages.com/](https://www.embassypages.com/)

### NIE - NÚMERO DE IDENTIFICACIÓN DE EXTRANJEROS
(Identification Number for foreigners)

Foreigners staying in Spain for a temporary period of time can be asked to have a NIE (required mainly for administrative or economic reasons).

All EU citizens residing in Spain for a period exceeding three months must apply for the NIE. Non-EU/EEA/Swiss citizens authorised to stay in Spain for more than six months will need to get the NIE within 30 days of entering Spain.

Notice that you can only issue the NIE once you are already in Spain. You must apply for this document directly at the police station in Vic (or in your city or town in Spain). They will give you details of what documents you need for the NIE.

If you find yourself in an emergency situation, that is, if you feel ill, need some medication or lose your identity documents, you should follow these guidelines.

The International Relations Office and the international academic coordinators will help you with further information and advice, if needed.

**PRIMARY HEALTHCARE CENTRES** *(CENTRES D'ATENCIÓ PRIMÀRIA)*

To receive medical treatment you can go to the public health centre *(centre de salut)* in your area of residence in Vic. You should call or ask at the desk for an appointment.

These are the two Primary Health Centres in Vic:

**Centre d’Atenció Primària (CAP) Osona - Divina Pastora**

*Divina Pastora Primary Healthcare Centre*

Address: Plaça Divina Pastora, 7  
Tel.: 938 890 222  
Timetable: Monday to Friday from 8am to 8.30pm. Saturdays emergency services only, from 9am to 5pm.

**Centre d’Atenció Primària (CAP) del Remei**

*El Remei Primary Healthcare Centre*

Address: Passatge Pla del Remei, 10-12  
Tel.: 938 833 443

http://www.eapvic.com/

**HOSPITAL**

When both primary healthcare centres are closed or in case of an emergency go straight to the *Hospital Universitari de Vic* (general hospital). Your European Health Insurance Card (EHIC) and/or proof of private health insurance should be presented at the hospital.

The EHIC card gives the right to free emergency treatment for residents of EU/EEA countries in public hospitals or centres only.

Address: Carrer Francesc Pla (El Vigatà), 1.  
Tel.: 938 891 111

**ILLNESS**

If you are in Vic, always call your private health insurance company for guidance (we advise you to carry your insurance phone number with you at all times).

If you need to go to a healthcare centre or the hospital you should take with you both your European Health Card (European citizens only) and your private health insurance card.
**ACCIDENT**

If you have an accident, you should do as in the case of illness. If you are on the road or cannot reach a hospital, you should call the emergency services (112) or an ambulance (061).

**CHEMISTS**

Chemists have the same opening hours as shops, but there is also always a local duty chemist open around the clock. At each chemist you can find the address of all the chemists in Vic and also the one on duty that day. You can also find this information in local newspapers and free magazines (El 9 Nou, Osona.com, RECLAM, Revista més, etc.) and at the following Vic Ciutat web page:

http://tinyurl.com/vic-chemist

**TO REPORT A CRIME**

If you want to report a burglary or an aggression and you need the police, you should go to the Mossos d’Esquadra Station (Catalan Police).

*Mossos d’Esquadra*
Address: Plaça del Mil·lenari
Tel.: 112
http://tinyurl.com/mossos-cat

**EMERGENCY TELEPHONE NUMBER**

In the case of flood, fire or other problems where you need the fire service, ambulance, Mossos d’Esquadra (Catalan Police), Policía Nacional (Spanish police), etc., you should call the general emergency number in the European Union 112.

**SAFETY TIPS**

We advise you to read the safety tips offered by the Ministry of Home Affairs of the Government of Catalonia with the collaboration of Barcelona University Centre.

THE LANGUAGE CONTEXT

Catalonia has about seven million inhabitants and its own language and culture make up its distinctive character.

Catalan is the main language at UVic-UCC and, together with Spanish, is co-official throughout Catalonia. Since Catalan is spoken across the whole region, we strongly recommend that you register for the Catalan language courses offered at the University.

The International Relations Office and the main UVic-UCC services offer information in Catalan, Spanish and English.

CATALAN AND SPANISH LANGUAGE COURSES

UVic-UCC offers free Catalan and Spanish courses for international students.

The UVic-UCC Language School is an official DELE* Examination Centre, so as an international student you will be able to take official examinations in Spanish offered by the Instituto Cervantes.

*DELE stands for “Diplomas de Español como Lengua Extranjera”:
[https://examenes.cervantes.es/es/dele/que-es](https://examenes.cervantes.es/es/dele/que-es)

The Instituto Cervantes was founded by the Spanish government in 1991 to promote the Spanish language and Spanish and Latin American culture:

Spanish testing

Self-assessment
The Common European Framework of Reference: Learning, Teaching, Assessment (CEFR) is a guideline used to describe achievements of learners of foreign languages across Europe.

At the UVic-UCC Language School website you will find equivalence grids and certificates for several languages: https://www.uvic.cat/es/idiomas/marco-europeo-comun-de-referencia-mecr-equivalencias-de-niveles.

You can use them to try to gauge the level best suited to your Catalan and Spanish language skills:

- Basic User: A1 and A2
- Independent User: B1 and B2
- Proficient User: C1 and C2

We recommend that you check your language skills yourself, but you can contact us for any assistance you may require.
UVic-UCC has its own Language School and all international students that take part in an exchange programme at the UVic-UCC can attend courses there - English, French, Italian, German or Chinese - subject to enrolment at Academic Administration. If you wish to study at the UVic-UCC Language School, remember to fill in an application form at the School and take the language level test.

Bear in mind that they are academic courses and you must do all assignments and exams satisfactorily in order to get a final grade and a UVic-UCC language certificate. With this document you will get ECTS European credits, which you may need for further recognition at your home institution.

“If you talk to a man in a language he understands, that goes to his head.
If you talk to him in his language, that goes to his heart”
(Nelson Mandela)
The UVic-UCC Language Services works for the University and wider community to further three main goals:

- promote the use of Catalan as the main UVic-UCC language
- promote the use of other languages for communication within the framework of the European Higher Education Area
- respond to the diverse language needs of UVic-UCC

Language Services activities fall into four groups:

- training (Catalan courses for international students, Self-Access Centre)
- language support activities (welcome activities, language volunteers, conversation exchanges)
- proofreading and translation of all kinds of documents and interpreting services
- provision of language resources (language criteria, model documents, terminology, learning resources, teaching support)

The **Self-Access Centre** is a service designed for the self-study of Catalan, French, English and German. It is addressed to everyone interested in learning a language who cannot attend a standard course. UVic-UCC students (also international students!) and staff have free access to this Centre.

The Centre offers teaching and learning materials: text books, graded readers, periodicals, audiovisual material, etc. It also offers language advice, conversation groups and tandems. It has a database with self-study references and an online list with people interested in language exchanges.

UVic-UCC is working to strengthen international and language skills among secondary school students of Vic and the region. To achieve this goal, we are cooperating with several schools in the area, carrying out initiatives together with local high school students and international UVic-UCC students.

Our university is promoting foreign language talks for secondary school students by UVic-UCC students from European (and non-European) universities. They explain their personal experiences as international exchange students at UVic-UCC and in Catalonia, and they introduce their countries, language and culture in a pleasant and enjoyable way to help the local students become more aware of the reality of other countries. These talks also help to give information on European initiatives at a university level, especially the mobility of Erasmus+ Programmes.

All international exchange students have the chance to participate in this programme. With these presentations English lessons become more interesting for secondary school students and at the same time the international student who prepares the lesson experiences a real immersion in Catalan secondary school life.
The International Relations Office organises several activities to help you settle in and get acquainted with the university and Vic.

**ORIENTATION WEEK**

The Orientation Week will take place from 4 to 8 September 2017.

It is advisable to be in Vic during this week, since we have organised sessions of interest to you: Spanish and Catalan intensive language courses, meetings with the International Relations Office staff and your international academic coordinator, registration, Virtual Campus and library sessions, visits around UVic-UCC and the city of Vic, etc.

You can check the programme of the Orientation Week at our website: http://www.uvic.cat/en/international/handbook-orientation-week-calendar

**MENTOR PROGRAMME**

Some weeks before the start of the academic semester, you will receive the first e-mail from your UVic-UCC mentor. Mentors are UVic-UCC students and staff who voluntarily give their time to offer wherever help or guidance you might need as you settle in at the University and will be available to you during your stay with us. They might be among your first friends here, helping you deal with issues that may arise.

During each semester, these mentors, together with the International Relations Office and the Language Services organise a series of activities to help you feel at home.
The International Relations Office, together with the Language Services, organises several cultural activities during each semester to help you settle in and get acquainted with the university, the city of Vic and Catalonia. We also organise sports and leisure activities so that the international students and mentors can get to know each other better.

You can find the calendar for each semester at our website: http://www.uvic.cat/en/international/handbook-orientation-week-calendar

In addition, you will get detailed and updated information about each activity during your stay with us.
